# RE : WHERE TO SEND DONATIONS FOR VERLIN & DEBBIE ANDERSON'S CONTINUING MINISTRY

Friends and Ministry Partners,

We now pay ministry and living expenses from savings and recent expense reimbursements from Free Will Baptist International Missions. Besides our U.S. expenses, a worker stays at our home in Cote d'Ivoire to maintain where we anticipate returning in late 2014 or 2015. We slowed sending this communication to allow FWBIM to receive support for this ministry until our final salary and benefits were paid.

Nothing is free to any of us except by God's gifts. We appreciate your support given from your earnings to assist others in need and provide for CHE transformational ministry. Two organizations volunteer to receive and receipt tax deductible donations on our behalves by mail, or online. Any funds sent will be used to sustain our family in ministry. Funds collected will be held in escrow, or set aside for us, and forwarded to the mission of service which will provide us oversight, salary, and reimbursement in 2014.

For now, please contribute financial support for this ministry via The Global Foundation or Donelson Free Will Baptist Church. Payment should be made in the name of the organization and the memo should state that the donation is for Verlin & Debbie Anderson. Here are the mailing instructions:

If choosing to give online and the steps seem unclear, call us at 615.477.1129. We have sent ministry funds already online to both organizations using credit and debit cards and received electronic receipts.

The Global Foundation has been ready since August to receive and receipt tax deductible contributions. It is a 501(c)(3) foundation that enters into servant-partner relationships for businessmen, and others, to enter nations as witnesses to Christ. The founder has assisted large and small corporation startups. This foundation began in 1995 as a response to God after a course of *Perspectives On The World Christian Movement* facilitated by Eddie Payne. The entry of Free Will Baptists into Central Asia, and the various ministry partnerships FWBIM has there, began with Global Foundation providing identities to Jimmy Aldridge and early missionaries so they could receive visas. You may give to us via <http://www.theglobalfoundation.org/Contact.html> or by mail, as indicated in the above table. Indicate our name on the provided memo space of your check, or select our name in the online form. 10% is the most they will ever charge for their organizational expenses. The percentage is expected to decrease in the future. Receipts are mailed. Currently, the 90% remainder will later be forwarded to our eventual sending mission. \$9 of \$10 actually reaching the missionary is better than most organizations, including our former.

Donelson Free Will Baptist will also receive funds dedicated for our ministry without taking a percentage at this time. The funds will be forwarded to our new mission board in 2014. When giving through the [www.donelson.org](http://www.donelson.org) site, we are currently considered as 'other' REACH partners and not listed by name online. If using online services to give, select 'Other' and put Verlin & Debbie Anderson in the appropriate memo line. If sending a donation by mail-in check, as with The Global Foundation, putting our name on the memo line will suffice for the church to credit an account for us. The church sends hardcopy receipts after the end of each year; the Global Foundation sends a hardcopy receipt as soon as the donation is processed.
