

Dear Friends and Ministry Partners,

Spring has not completely “sprung” yet here in Michigan! Nevertheless, we are enjoying speaking in churches for three weekends, visiting individuals during the week, and spending time with Verlin’s family. The Lord is moving in hearts to partner with us, and we are thankful.

*We would appreciate your prayers for....*

- The adoption process to proceed smoothly. Cason (our older son) and his wife Suzanne will hopefully have this precious two-year-old permanently living with them by the end of April. Barring any problem, she will officially be an Anderson 6 months later. Hurrah for “grandparenthood!”
- Cara to continually mature in her walk with Christ and place of ministry. She stays extremely busy serving the Lord as a nurse and through her church in Middle Tennessee.
- Corbin, our youngest, regularly requests prayer for stamina, to understand the material, to make quiet time with the Lord a priority, and for enough job hours to meet his financial needs. He is doing well this first year in engineering at Union University.
- Discernment to equip Corbin for our return to Cote d’Ivoire in hopefully just a few months. Leaving our children for a 4-year term is difficult, but the first time is especially painful. Thankfully, our children love the Lord, live close to one another, and have godly grandparents and church family who provide stability and influence.
- The Holy Spirit to motivate and empower His people to whom we minister, that they will share Christ as Lord and see their families saved, as well as those of their friends and neighbors. May the encouragement of how God works through Community Health Evangelism overseas encourage faithfulness here. Four Michigan churches have asked that we pray for the Lord to provide pastors.

March 2015

Despite days of travel, we REJOICE to invite people as partners in gathering the very ripe harvest in West Africa. “. . .let us not be weary in well doing: for in due season we shall reap, if we faint not.” (Gal. 6:9) Thank you for pressing on with us.

Co-laborers in the harvest,  
Verlin and Debbie Anderson

*The Christian Health Service Corps (CHSC) is a mission of dedicated medical professional who participate in the CHE Global Network. Together, in a loose affiliation of individuals, churches, denominational and nondenominational agencies, we share God's Light and Truth through Community Health Evangelism (CHE). Unless rescinded, the network includes FWBIM. See <http://wholisticmissions.com/workshops.php> for timely and timeless missional topics to be addressed at the next interagency conference in the U.S. If you attend, you may find that God has ways that you can do similar good works contextualized for the U.S.*
