Dear Friends and Ministry Partners,

This Father's Day video shares how fathers who lead their wives and children change families and communities in response to God. This 3 minute cut of the Christian World News network video is that which Verlin uses most during travels to briefly illustrate how the prototypical Community Health Evangelism program unfolds. It shares what God did amidst the Medical Ambassadors International Community Health Evangelism effort in the Congo by the early 2000's. The stats are a little old . . . today there are over 330 Congolese led programs. Don't forget, this strategy unfolds to be used by many U.S. churches in U.S. locations known as [Neighborhood Transformation](#).

In follow-up of other news,

1. The visit to the Bondoukou circle of a short-term medical team ministry of Heartbeat for Africa and new Christian Health Service Corps medical missionaries appears to have encouraged the continuing revitalization of an existing FWB CHE program.
2. Per Facebook reports, an attempt to make a city wide CHE effort has also been stimulated. Other info received in the week showed God's favor and we hope to share it after verification in weeks to come.
3. Also, Verlin has been invited to share / expand CHE amidst churches in the center and north of Cote d'Ivoire.
4. Last but not least in importance to ongoing ministry, this past week and the coming have been dedicated to our setup of a permanent U.S. residential interest in the U.S. to maintain affordable health insurance. Special thanks to 'Mom' Elsie Anderson for having stocked our 'household memories' from Africa for the last 19 months. They are now in Cookeville with us after a 30 hour total trip to rent, load, and unload a 26' U-Haul truck.

Your partners in the Gospel,  
Verlin and Debbie Anderson

*The Christian Health Service Corps (CHSC) is a mission of dedicated medical professionals who participate in the CHE Global Network. Together, in a loose affiliation of individuals, churches, denominational and nondenominational agencies, we share God's Light and Truth through Community Health Evangelism (CHE). Verlin and Debbie remain in understood need of about 26 partners at \$100 per month of support, or their equivalent, to resume a ministry of expanding CHE ministries in Cote d'Ivoire under the auspices of the CHSC and Ivorian partners.*
