Dear Friends and Ministry Partners,

This week's video shares in 1:01 minute of your time how Community Health Evangelism (CHE) develops resources and education, not welfare. By your prayers and giving, you have already become an equal dignity "Village Changer" in West Africa! We — and the people whose lives are transformed by Christ — are eternally grateful. It is our privilege to regularly partner in sessions to train and interact with our great mentors of CHE ministry and fellow-laborers at Medical Ambassadors International who produced this video. *(if viewing and online, click the image or subscript for video)*

Prayer & Praise:

This week we ask for you to specifically pray for safe travels to services in Michigan and Tennessee. Our vehicle appears to be nearing its last days of long distance travel after nearly 373,000+ miles, and we need wisdom to know whether to repair it, or give it an honorable discharge from service.

Your and partners in the Gospel,
Verlin and Debbie Anderson

The [Christian Health Service Corps \(CHSC\)](#) is a mission of dedicated medical professionals who participate in the [CHE Global Network](#). Together, in a loose affiliation of individuals, churches, denominational and nondenominational agencies, we share [God's Light and Truth](#) through [Community Health Evangelism \(CHE\)](#). Verlin and Debbie now require about 25 partners at \$100 per month of support, or their equivalent, to resume a ministry of expanding CHE ministries in Cote d'Ivoire under the auspices of the CHSC and Ivorian partners.
