“Heigh-ho, heigh-ho, it’s *off to work* we go!” Unlike some dwarves in a popular old movie, we rejoice to be going TO work instead of coming home FROM it. At last, we can announce some wonderful news. We are approved to return to Cote d’Ivoire because of your faithful prayers and giving! Tickets are purchased, and our multiple visas are in process. Verlin will fly to Burkina Faso first to attend the **Million Village Challenge**, an initiative sensed by Transform World, gathering there March 8-10. The purpose is to coordinate with other French speaking West Africans to deepen the implementation of Community Health Evangelism (CHE) throughout the continent. After that conference, he will travel south by public transport to Cote d’Ivoire and begin the process of settling in. Debbie’s flight to join him is April 9. Verlin plans to purchase a vehicle before she arrives, while Debbie says final good-byes and sees Corbin on college spring break before leaving.

Wholistic Transformation

Prayer and Praise:

- ✿ The CHE training at the Christian Health Service Corps (CHSC) in Grand Saline, Texas finished well on Friday evening. It was a joy to interact with people ministering, or increasing their capacity to minister, in Texas, Pennsylvania, Honduras, Ghana, Nepal, Mexico, and in college. This week at CHSC home base also allowed us to make sure our paperwork and responsibilities to the mission are in order.
- ✿ The Lord answered all of our prayers through your generosity during the 4th quarter! After seeing our final December donations this week, we have confirmed that our semi-annual income average surpassed the budget need of \$8,000 per month two months in a row. Thank you for helping speed us back to the work in Cote d’Ivoire. As long as January maintains the trend, we are approved to leave for our field(s) of service.
- ✿ Continue to pray for the Lord to provide a trustworthy vehicle.

Your partners in the gospel,
Verlin and Debbie Anderson

The [Christian Health Service Corps \(CHSC\)](#) is a mission of dedicated medical professionals who participate in the [CHE Global Network](#). Together, in a loose affiliation of individuals, churches, denominational and nondenominational agencies, we share [God’s Light and Truth](#) through [Community Health Evangelism \(CHE\)](#). Verlin and Debbie seek 6 additional donor partners at \$100 per month as we resume residential ministry to expand and mature CHE ministries in Cote d’Ivoire under the auspices of the CHSC and Ivorian partners.
