It is very inspiring and comforting to know that we are not alone as we serve the Lord. In addition to the Holy Spirit living within us, we belong to a Body at work that God has formed around the world, and we can learn and draw strength from one another. This week's five minute or less video was produced by the Global CHE Network. It briefly explains how thousands of CHE (*Community Health Evangelism*) trainers around the world in more than 116 countries share the gospel in a wholistic way. Indeed, we are not alone!

Prayer and Praise:

- ☞ Verlin leaves for Africa next Friday, March 4, at 1:30 pm. Ask the Lord for strength to finish several projects, and hopefully still get some sleep! Saying goodbye to family for two to four years is never easy, no matter how many times you do it. This will be our first experience to leave behind a grandchild.
- ☞ Verlin's mother, Elsie Anderson, has come to stay with us through next week. She manages our donor database and mails our quarterly updates from back home in Michigan. Here she works tirelessly all day long helping in many ways. What a blessing that at age 80, she can still travel independently, and can truly work circles around some people 60 years younger!
- ☞ Ask for continued opportunities to witness to people in the daily busyness of life, here and as we travel. The Lord often has some wonderful "divine appointments" on airplane flights.

Your partners in the gospel,

Verlin and Debbie Anderson

The [Christian Health Service Corps \(CHSC\)](#) is a mission of dedicated medical professionals who participate in the [CHE Global Network](#). Together, in a loose affiliation of individuals, churches, denominational and nondenominational agencies, we share [God's Light and Truth](#) through [Community Health Evangelism \(CHE\)](#). Verlin and Debbie seek 6 additional donor partners at \$100 per month as we resume residential ministry to expand and mature CHE ministries in Cote d'Ivoire under the auspices of the CHSC and Ivorian partners.
